

'Why we do the things we do'

This informative seminar will focus on basic airmanship skills and the various emergency maneuvers that we could encounter. Our presenter, Jim Alsip, is a Master Aerobatic CFI, and the author of "Artistry of the Great Flyer". He specializes in Aerobatic training including spins and upset recovery as well as tail wheel training. Don't miss this presentation !

Directions: I-95 to (Exit 180) US-192 East, left on Evans, right on NASA Blvd, left on Grumman Place, right on Tower Access Road to Harry Goode Way to FIT Aviation

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASteam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
